Mr. Dulles:

a. Reported on yesterday's NSC Meeting. Stated that he briefed on the [redacted] situations and there was also a short, impromptu briefing on [redacted] Stated that at some time in the near future, he would like to make a full briefing to the NSC on US aid to [redacted] of other nations in combatting Communism. Mr. Wisner remarked that the Bureau of the Budget is pressing for a consolidation of these [redacted] matters and the DCI suggested that the best solution would be to get together with Gordon Gray and Mr. Hollister to work out this problem. The Secretary of State reported on the MacMillan letter on removal of Chinese trade controls. Admiral Radford had made the statement that [redacted] were responsible for 50 per cent of the trade with China and the DCI challenged this data. Mr. Dulles asked if we could have an estimate on the China trade. Mr. Amory stated that he felt last June's estimate was probably as up to date as anything they would have available and he would review this estimate to determine its currency.

h. DCI said that he had agreed at NSC Meeting to the advisability of briefing the Vice President on Mr. [ ] project. 25X1

#### General Cabell:

a. Discussed the USCIB Meeting to which he was going immediately following this meeting and stated there was some difference of opinion on three points:

25X1 (1) He felt it desirable that there be a joint [ ] discussion on a uniform policy on dealing with the [ ] organization on COMINT material. The Director agreed. 25X1

(2) Said the Defense Department has raised the question of whether or not ELINT should be discussed in this meeting and our position is to mention it but then to confine the discussions only to COMINT matters and those ELINT matters which have a COMINT connotation. The Director agreed.

(3) Discussed Defense's request that military commanders in Europe be given special subordinate authority to pass COMINT counterintelligence to the [ ] and stated that our position was that we were willing to have the commanders have the same latitude to handle CI/COMINT as they have in regular COMINT. The Director said he felt the best position would be that we did not feel any [ ] office was competent to receive this material at this time and we would prefer to postpone it until we have a secure and beneficial channel. 25X1
